

This coupon is used simply to say:

Sweetums,
I really need flowers on this day: _____

Three hours with you alone...

(No TV, no phone)

For a night on the town, with music of your choice...

For you make my heart sing when I hear your sweet voice.

One romantic picnic...
(at the location of your choice)

This coupon's good for whatever you please,
(if I can have just one little squeeze...)

I love you, I love you, I love you, I love you
